Dear Ms. Thompson:

Thank you for your interest in the California Air Resources Board Agriculture Advisory Committee for Air Quality. As we committed, we have added your name to mailing lists used for State Implementation Plan (SIP) workshop announcements. With this letter, we are also providing a copy of the presentation that we made at the October 1, 2002 Committee meeting. Finally, we are providing you contact information on those who signed up for the Emission Inventory and SIP Measures Subcommittees.

The next full Committee meeting is tentatively scheduled for January 30, 2003, in Modesto. We will provide an agenda with location details as these are finalized.

If you have any questions, please call me at (916) 445-4383.

Sincerely,

/s/ LMT for MPK
